The BRAA or Squires will provide easels or pedestals for your work. We would like to have you do the following:

1. Clearly label your work with your name, title, and contact information. Use of the standard BRAA label would be fine. However, please do not price your work as this is not a sales event. The potential buyer will be referred directly to you.
2. Bring your work to Squires (second floor outside of the Perspective Gallery) at about 12:00 noon on September 5. Some people have made other arrangements.
3. Assist in arranging your work to your satisfaction.
4. If you can, stay and meet students during the event and answer their questions about your work. If you can not stay, that is fine too.
5. If you stay, we will have about 100 membership brochures available to hand out to prospective student members. Distribute them as you like.
6. I will be taking pictures of this event, so smile pretty if you are in a photo opp.
7. Return to pickup your work at 5:00pm
